1714 Libby government study panel suggests no change

Unlike the county government study panel, the Libby City Government Review Commission will recommend no changes to the city's form of government, review commissioners said at a public meeting Jan. 22.

The commission has been studying the city's government for the last year. Commission members are Earl Lovick, Lee Chandler and Dan Larson.

Lincoln County Government Review Commission has recommended that county voters approve a charter form of government. The city of Libby already operates under a charter.
