CERTIFICATE  
ESTABLISHING THE PROPOSED PLAN OF GOVERNMENT  
FOR  
TOWN OF JORDAN

Upon the approval of the majority of voters the government of the Town of Jordan shall be organized under the following provisions of Section 47A-3-203 R.C.M. 1947.

- (1)
- (2)
- (3) (a) (ii)
- (3) (b) (iii)
- (3) (c) (ii)
- (3) (d) (ii)
- (3) (e) (ii)
- (3) (f) (i)
- (3) (g) (iv)
- (3) (h) (i)
- (3) (i) (i)
- (3) (j) (iii)
- (3) (k) (ii)
- (3) (l) (ii)
- (3) (m)
- (4) (a)

The alternative plan submitted by the study commission is identical to the existing plan except for the following: One additional council person shall be elected at-large from the entire community for a four (4) year term. This means that the council size would be five (5); two (2) members would be elected at some elections and three (3) members would be elected at other elections. There would still be overlapping terms.

COMPARISON

The existing form has four (4) councilpersons from two (2) wards. This means that each ward has it's own representative and both sides of town are guaranteed a voice on the council.

The proposed form adds one (1) councilperson elected at-large. This means that there is an odd number of council persons for voting and that one (1) person represents the town as a whole.

SEAL

We, the Study Commissioners of the Town of Jordan, do hereby certify that this is the existing Plan of Government as established by Section 47A-3-203: Revised Codes of Montana 1947.

In testimony whereof, we set our hands.

Done at 9:30 AM this 27th day of March 1976.
