Clinical Staff Relief Intern Evaluation

Instructions: Preceptor, please complete the following evaluation of the intern's performance during staff relief at your facility. Discuss your evaluation with the intern and submit completed evaluation in Trajecsys. The intern may also submit competency logs which relate to this assignment for you to rate and approve.

Scoring:

1 = Early beginner, needs more practice, not at expected level for intern
2 = Beginner, approaching expected level for intern
3 = Doing well, performing as expected for intern level
4 = Above average, doing better than expected
5 = Outstanding, doing much better than expected
