

How to Apply for Graduation

(Directions for Graduate Students)

Congratulations! Earning a graduate degree from Montana State University is an exciting time and we have created documentation to help ensure applying for graduation goes smoothly for you.

Application Deadlines: Fall – September 20th | Spring – February 5th | Summer – June 10th

Application Process

1. Meet with your Advisor/Committee Chair/Program Leader:

- Meet with your advisor (also referred to as your Committee Chair/Program Leader depending on your program) to review your DegreeWorks to ensure your file is accurate and that you are on track to graduate.
 - If changes are needed for your program of study, please utilize the program of study form in MyMSU to update your approved program of study on file with The Graduate School.
 - Note: You can proceed with submitting your graduation application while your changes route for approval. Incomplete boxes in DegreeWorks will NOT prevent you from submitting a graduation application.
 - If your advisor agrees that you are ready to apply to graduate, they will put a specific note in DegreeWorks that they approve your application for graduation.
 - “Grad Committee Chair/Program Leader Approves GR Graduation Application”

**If you are applying to graduate with multiple credentials (for example, a master’s degree and a certificate), you will need a Committee Chair/Program Leader note for each program in DegreeWorks.*

***It is the specific note in DegreeWorks from your Committee Chair/Program Leader which will allow you access to the online graduation application.*

2. Submit Your Graduation Application in MyMSU: montana.edu/MyMSU

- Once you have a Committee Chair/Program Leader enter the note in DegreeWorks for each credential you are applying to graduate with, submit your graduation application(s) via MyMSU → Registration & Records → Apply to Graduate card → Application for Graduation (step by step instructions and explanations below).

**The MyMSU online application currently cannot process one-credit extension or en route graduation applications. If you are applying for a one-credit extension or a master’s en route degree, you will need to use the paper (pdf) graduation application instead.*

***You can only submit the MyMSU graduation application once per degree, if you previously submitted a graduation application and then withdrew, you will need to submit a paper (pdf) graduation application when you reapply to graduate.*

The paper (pdf) graduation is available on The Graduate School website here:

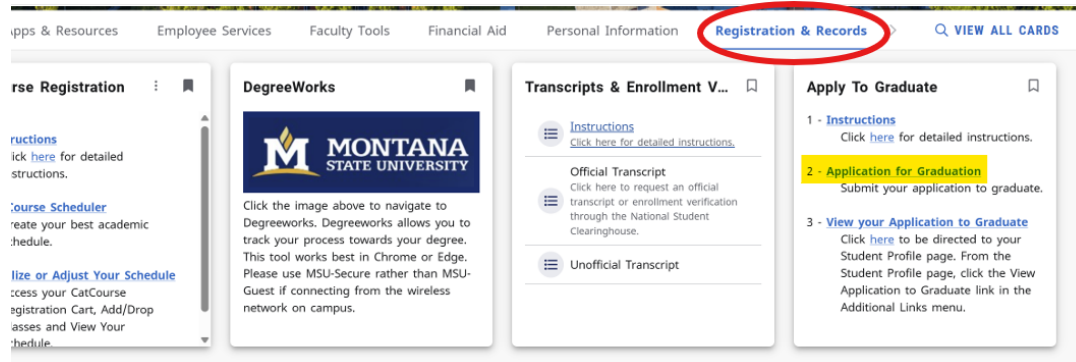

https://www.montana.edu/gradschool/forms.html#forms_graduation
